

COMMUNITY CENTER SHANGHAI 2010 SUMMER BAZAARS

Dear vendors and shoppers,

The famed CCS Bazaars are back! Don't miss this festive shopping extravaganza with **over 100 vendors** selling kids' stuff, housewares, ladies' fashion and accessories, specialty foods, and more. Music, a fantastic raffle, and special kids' activities make this an unmissable event – and due to the popularity of our 2009 bazaars, we are adding a **third bazaar** at our CCS Minhang location this year!

Vendors, take note – this is a terrific opportunity to **promote your products** Shanghai's expat community while supporting Community Center Shanghai! All proceeds from table sales will benefit CCS' monthly Coffee Connections, a free two-hour learning and social event held once per month at each of our three centers.
